

Year 5 Music at Home

How many of these activities can you tick off? Miss Wood would love to see what you achieve when we return to school.

Sing along to your favourite song then teach it to someone else.	Listen to a song that is a favourite of a member of your family.	Listen to some Gospel music!	Research a piece of music or a musician.
Make an instrument out of items in your house.	Play on a Music App.	Write your own song or rap about an issue you care about.	Dance to some nice music of your choice.
Research the history of American music and make a poster.	Learn a new song.	Design a completely new instrument.	Ask someone in your family to do something musical with you.
Play along with a 'Music Nation' video on YouTube. 	Practice an instrument.	Write down some rhythms that you think are interesting.	Research and make a poster about a Blues musician.
Learn some beatboxing or rapping skills!	Listen to an album recommended by someone else.	Sing in the shower as loud as you can!	Teach someone 4 new rhythms.
Sing a song that you have learned in school to a grown-up.	Explore note combinations on an app or instrument.	Watch a musical film.	Bounce a ball in time to the beat of a song.
