

Using your Xbox and PS4 for remote learning.

For those of you who are struggling for devices during remote learning but have a games console, help is at hand.

Both Xbox and PS4 can access the schools remote learning and here's how.

XBOX

- Plug in a keyboard to the usb port (a controller will work fine if you haven't got a keyboard)
- Go to my games and apps
- Find Microsoft Edge and select
- Go to www.solgrid.org.uk and log I with your email and password.
- There you will be able to access emails, teams word etc as you would on any device.

PS4

- On the Playstation home screen find the W with dots around it, this is the internet browser.
- Launch browser and Go to www.solgrid.org.uk and log I with your email and password.
- There you will be able to access emails, teams word etc as you would on any device.
