Science after-school club

Join us for Autumn term (14 weeks) STEM After-School Club at Shirley Heath Junior School!

Thursdays from 3:00 pm to 4:00 pm
starting from September, 10th
£9.50 per child per week (£133 in total)

Each week, children will explore hands-on experiments, engineering challenges, and fun problem-solving activities in science, technology, engineering, and math. The club aims to spark curiosity and excitement while developing new skills in a supportive and engaging environment.

Highlights

- ✓ Hands-on experiments.
- ✓ Problem-solving skills.
- ✓ Fun STEM activities.
- ✓ Supportive environment.
