

CheckMates

In 80+ schools

Looking to get your child started in a game which teaches patience, logical skills and independent thinking? **CheckMates** offers after-school chess programmes to primary schools which are fun, interactive and help your child improve.

What We Do

Interactive lessons from teachers with years of experience with chess.

1 hour of group coaching after school.

Testimonials

"My son found the course to be very enjoyable, interesting and informative."

Eoghan M

"10 out of 10, the teacher is really nice and it's great fun"

Patrick (student)

Our child really liked the problem solving and demonstrations on the computer connected to the big tv. More of that is great!

Kate
